Weight per bottle.

DANCECARPET CLEANER

EXTRA INFO

- Physical Form: Thin, water-based liquid
- Shelf Life: 1 year minimum
- Colour: Clear, blue-green
- D.O.T. Shipping: None
- Odour: Slight, butyl
- Density-Specific Gravity: 8.71 lbs/gal - 1.044
- pH (concentrate): 12.7 - 13.3
- Flash Point (TCC): None

A. DESCRIPTION

- A multi-purpose, water-based cleaner & degreaser containing a proven combination of synthetic detergents, water softeners, alkaline builders, corrosion inhibitors, and a water-soluble solvent.
- Powerful cleaning action: rapidly removes dirt, grease and grime from a wide variety of surfaces.
- Degreases: dissolves and removes food grease and many industrial oils and greases.
- Versatile: use as a general-purpose cleaner, floor cleaner, wax and floor finish stripper, engine degreaser, and for a variety of other cleaning problems. May be used by hand or through steam or pressure cleaning equipment, automatic floor scrubbers, etc.
- Inhibited: will not harm metal surfaces, including aluminium, when used as directed on the label.
- Biodegradable: all detergents and wetting agents are completely biodegradable.
- Safer alternative: independent laboratory tests confirm that the product conforms to CPSC's requirements of a non-toxic by ingestion compound according to 16 CFR 1500.3. Non carcinogenic, non-caustic.

B. DIRECTIONS

Dilute 1 part of cleaner with 10 to 40 parts of water, depending on the state of the floor. Wipe or spray on surface to be cleaned, allow to remain a few seconds before wiping it off with a clean cloth. NOTE that high concentrations of cleaner can damage painted surfaces. Test on a small area before use, or use very dilute solution. Always rinse immediately after use.

C. DISCLAIMER

All information in this document is based on our practical experience and/or laboratory tests. Due to the large spectrum of circumstances for usage and unpredictable human factors, we recommend that you always test our products before final usage. This technical data sheet has perhaps already been revised based on legislation, availability of the individual ingredients or newly acquired information.
